

HOW HIGH IS UP?

We could tell you how great it is to work here, but instead thought you should read what our staff says:*

"We are excited to come to work every day. We have an amazing client roster and our work environment is incredible. Lippe Taylor has encouraged and motivated me to hone my skills, foster client and editor relationships, expand my knowledge as a Public Relations professional and exceed expectations and goals."

-Erica, Group Manager

"Compared to some of the larger agencies I've worked for, Lippe Taylor really takes the time to foster growth and confidence of their employees, as well as recognize a job well done through all levels."

-Lauren, Account Executive

"Team work makes Lippe Taylor special. No matter what level you're at, there's always someone to help support your PR efforts for your client. It's great to run with the ball, and LT absolutely offers that kind of entrepreneurship. But, in football as in life, you need your defense team to get winning results."

-Enid, Vice President

"Lippe Taylor is all about being part of a team of intelligent, friendly people. From an account coordinator to the president, every idea, every suggestion, every opinion matters."

-Jessica, Executive Vice President
